Attorney-Client Privileged – Do Not Release

Gary,

I think we should set up a meeting with Carlos, and maybe John Meyer as well, to follow up on our

9493961

conversation about making sure that the San Jacinto remedy selection process is well supported by our record. Because Vince Ryan is coming soon to meet with the RA, I think we should also discuss how and when we are going to release information about the remedy.

Thanks,

Anne
